Dear Parents/Carers,

Re: COVID-19 Pandemic

It is with great regret that I must inform you that from Friday 27th March the Beeches Day Nursery will be closing for the foreseeable future.

Over the past week the Nursery has experienced a significant downturn in business and is no longer able to remain in operation. The most prudent decision to ensure the safety of our children, the staff team and protect the business is to close. We do intend to reopen once this current crisis has passed.

- If you wish we would be happy to retain your current booking. We do not require that you continue to pay your regular monthly fee during our period of closure. Please email jacqui@thebeechesltd.com if you wish your booking to be retained.
- If you wish to cancel you booking we will reimburse your deposit. Please contact accounts@thebeechesltd.com .

The Nursery telephone will not be monitored during this closure. Please use jacqui@thbeechesltd.com for any questions. We will be posting updates on our status via the News & Blog section of our website at www.thebeechesdaynursery.com

We hope you and your family remain safe and healthy and we look forward to welcoming you back when we reopen.

Yours sincerely,

James Wilson
Director
